### Introducing Melita Professional Sourcing (MPS)

*Recruiting Services - new service uses industry executives to deliver the best possible hires.*

Santa Clara, CA - July 22, 2009 - The Melita Group, an HR Professional Services Organization ([www.melitagroup.com](http://www.melitagroup.com)), announces today the availability of a unique professional recruiting service, [Melita Professional Sourcing \(MPS\)](#).

#### A Superior Recruiting Service

Unlike traditional recruiting services, MPS clients enjoy the expertise of the strongest professional hiring team in the industry. Every one of our recruiters is a long-time operating executive, functional expert, hiring manager, and business leader.

"In response to a growing number of requests from our clients, The Melita Group has now added an exclusive recruiting service to our suite of industry-leading HR services," said Lisa McCormack, VP of Client Services at The Melita Group, "MPS is led by industry executives who will provide direct client contact and the highest quality candidate vetting and interviewing for every hire. We have found this to be the best guarantee of both quality hires and delivery of world class service to our clients."

#### Overview of Melita Professional Sourcing (MPS)

By partnering with MPS, you are obtaining the expertise of the strongest hiring team you will find. MPS knows this because the recruiting practice is managed and staffed by long-time operating executives. They are functional experts who understand your business needs and know how to translate those needs into great people.

"We like to say that we approach hiring the way you would, if you had the time, resources, professional networks, and candidate database that MPS has," says Ms. McCormack, "John Kogan is Principal and leader of MPS. John and his team are industry experts and provide decades of real-world experience within their functional areas. In all, it is a team that is unmatched in the recruiting industry and they are involved in every hire."

MPS offers the industry's strongest performance guarantees and places a high level of importance on integrity throughout the recruiting process.

#### About The Melita Group

Founded in 1992, The Melita Group is an HR Professional Services Organization providing comprehensive HR and benefits consulting, professional recruiting, and outsourcing services to employers of all sizes. The Company offers complete end-to-end HR outsourcing and benefits brokerage services that help organizations reduce the administrative tasks associated with managing the HR function. Services cover areas such as HR compliance and training, interim and permanent staffing services, benefits management, and self service technology.
